“Si tibi deficient medici, medici tibi fiant haec tria: mens laeta, requies, moderata diaeta.”.

**Probabilmente il primo distillato di gin ha avuto origini nella città di Salerno
nella Scuola Medica Salernitana ad opera di monaci
che realizzarono un orto botanico per approvvigionarsi delle materie prime da distillare.
Il fine non era ottenere una bevanda ludica bensì trasmettere le proprietà mediche del
ginepro, per fare una medicina**

**Il termine Caupona, di origine latina ,indica la tipica osteria ,locanda
o luogo di celebrazione del culto del cibo ,della convivialità
e dell’ozio, che nell’accezione latina denota l’impiego del tempo nelle attività
che arrecano piacere all’anima gratificandola.**

Il Lounge Bar La Caupona nasce con l'intento di divenire un luogo di scambio di idee ed informazioni, lettura, svago, giochi di società', aggregazione e conoscenza, sport, musica, condivisione, eventi e feste, a servizio dei clienti tutto l'anno.

Miglioriamo e non invadiamo questo piccolo angolo del Cilento, a Pioppi, borgo di pescatori e gente umile ed accogliente.

Sorridiamo, non abbiamo fretta, siamo empatici e rispettosi dell'ambiente. Qui nessuno è diverso e tutti possiamo sentirci a casa...sul mare.

**“Vindica te tibi (...)et tempo collige et serva’(Seneca)
